

Position: Camera Operator

Purpose: To operate a video camera for the Sunday morning livestream.

Responsibilities: Arrive by 8:20am on Sunday morning.

Check camera is adjusted properly and is operational.

Ensure communication headset is working.

Join with the rest of the Sunday service team at 8:40am to talk through the service and to pray together.

Operate a video camera during all aspects of the service, taking direction from the video director.

Must stay alert and focused at all times, responding quickly and smoothly to all camera directions.

Currently only the 9am service is livestreamed, so camera operators are only on duty during the first service.

Accountability: This ministry falls under the leadership of the Technical Director.

Scheduling is done by the Technical Director. Depending on your individual availability, you may be scheduled once or twice per month, more or less depending on your specific needs.

This is a unique opportunity to serve those who cannot attend our in-person services, extending our ministry reach beyond these walls. You will gain valuable experience in technical ministry and a skill-set that can support your special interests, or career path, in the technical arts.

Helping people follow Jesus as we authentically CONNECT, continually GROW and intentionally ENGAGE.
